Dear Parent/Carer

Amongst the many activities and achievements outlined in this Newsletter I would like to highlight two in particular.

I was delighted when it was announced that the school had received the International School Award from the British Council. It is important that we prepare youngsters for an increasingly globalised environment and this prestigious award demonstrates the breadth and quality of our International curriculum. My thanks to Mrs Mottram (Head of Geography) for co-ordinating our application and to all staff in the Geography, History, Languages and RE departments for their sterling work in this area.

Those of you who know me will realise that I am an enthusiastic follower of football and **so I have been particularly pleased by the spectacular progress of our U16 girls' football team** who have reached the quarter finals of the National Cup with over 500 schools originally participating. This is an amazing achievement and I have all my fingers crossed for the quarter final which will probably be played early in the New Year.

I have recently informed staff and governors that I will be retiring in the summer after eight very happy years as Headteacher of St Ivo and twenty years of headship in total. Governors will be advertising the position early next term and we will keep you informed of developments.

As always there are goodbyes to be said at the end of term. Mr Myers (Mathematics) is leaving us for a permanent position and Miss Brown (Science) is stepping down to teach part-time for the next two terms. We are also losing Mrs Fielding (Teaching Assistant) who is retiring after twenty five years of service to the school. Mrs Fielding joined us as an Art Technician in 1987 and has become a key member of our team of TAs. She leaves with our thanks and best wishes for a long and happy retirement.

Finally, may I thank you for your support of your child's education over the last year and wish you and your family a restful and enjoyable Christmas and New Year.

Yours sincerely

Howard Gilbert
Headteacher

End of Term Closing

Please note the school will close at 1.05pm on Friday, 21 December. Buses have been rearranged to collect students at 1.15pm.

The school will reopen for students and staff at 8.30am on Friday, 4 January 2013.

Educational Visits

Several parents have requested an at-a-glance overview of all the school trips (Years 7-13) so that they can make an informed decision as to which ones to buy into. This has now been constructed and is available by going to the school website (<http://www.stivoschool.org>) clicking on the drop-down tab entitled 'Life at St Ivo' and selecting 'Educational Visits'. The how-to-use instructions are all there. Why not give it a try today and email us with your thoughts?

Mr McGarry
Deputy Headteacher

Dance Dept News

Dance at St Ivo has gotten off to a flying start this year starting with our newly introduced Btec in Performing Arts: Dance. Our Year 10s have worked superbly by creating solo choreographies, and have taken part in a contemporary workshop led by a member of Bodyworks - Cambridge. All students did fantastically well and are in the process of choreographing some new group dances. On Wednesday 5 December the Dance Department will be taking these Year 10 students to Cambridge to see a live performance of Chicago in preparation for their Jazz unit starting in the new year.

The Dance Department is also proud to announce that our dance show will be held on Tuesday 18 December in the main hall from 7pm, free entry! Included in our show will be a selection of work from lessons from students in Key Stage 3, Year 10 solos, group dances and set study, Year 11 GCSE set study, original choreographies from students in all year groups as well as our dance clubs. This promises to be an exciting evening full of talent open for all friends and family to come and watch. We hope to see you there!

Please note the following clubs are available for your child to take part in:

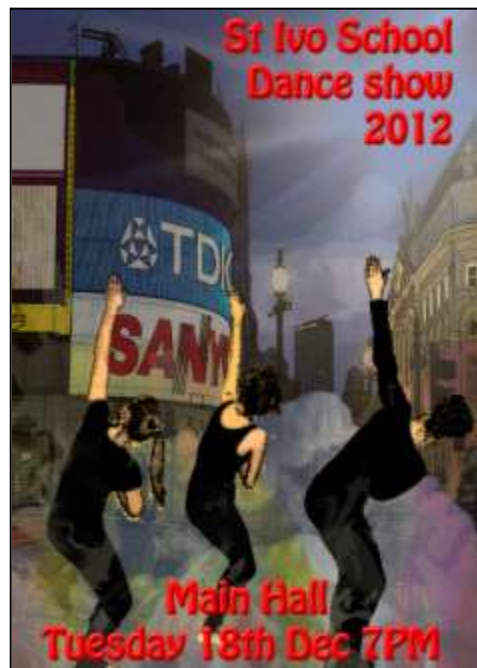

Year 7 Girls - Monday lunchtime - dance studio

Year 8 and 9 Girls - Tuesday lunchtime - main hall

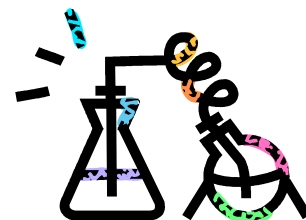

Boys dance - Thursday lunchtime - main hall

Ballet club (boys and girls, all abilities) - Thursday 3:15-4:15pm - dance studio

Ms McAdam
Dance Dept

Science Dept News

The science department has been busy this term, with a variety of activities for students in all year groups. This year saw the first ever national Biology week and the sixth form BIO-IVO group planned a whole week of events to show the diversity of topics that Biology covers.

Monday saw balloon model microbes, while on Tuesday students made DNA bracelets. Wednesday was dissection day, with hearts, livers, kidneys and a 'pluck' (the tongue, oesophagus, lungs, heart and kidneys of an animal still attached to each other) put under the knife to show how our organs work. On Thursday we found out how fit and healthy we all were on physiology day, with heart rate monitors and lung capacity measurements amongst other things. The week ended with key stage 3 students pretending to be penguins and transporting their own 'eggs' (a football) on their feet to keep them off the ice.

Every week sees the Medical Committee meeting to discuss the application process for students in the sixth form who wish to study any of the biomedical sciences at university. Year 13 students have been offering advice to those in Year 12 who are just starting to look at their options. In addition we've had a lively debate on the ethics of abortion and discussed the latest biomedical stories that have been in the news. All of this helps prepare students for the university interviews which Year 13 are starting to attend right now.

Year 13 chemists have also been visiting Cambridge University to learn more about analytical chemistry and see the machines from their lessons in real life. The day was a great success, and they are now able to tell their HPLC from their GC-MS.

Finally key stage 3 students are welcome to Science Club every Thursday in S01 where so far this year we have grown crystals, made our own batteries from aluminium foil and copper coins and put out fires with home-made fire extinguishers.

Shoebox Appeal

Year 8 students have supported the Samaritans Purse Operation Christmas Child shoebox appeal for the fourth year running. The response again was fantastic, and means that the school has donated well over 800 boxes over the last four years. We would like to thank all the students, parents and staff who have supported this charity with its aim to make children's lives better in some of the poorest areas of the world.

History Dept News

Year 7

Year 7 showed great effort and enthusiasm in the Medieval castles and weapons competition. Models were built across all categories including Motte and Bailey castles, Stone square Keep castles, cake castles, siege towers, battering rams, catapults, and imaginative designs. Winners will be announced after Christmas. Furthermore, as part of the History Department's community link with St. Ives, the winning models will be displayed in the town library, and then transferred to the Norris Museum.

Year 8

Year 8 have been studying the English Civil War. Furthermore, they recently took part in a 'know your town' homework competition. Winners and prizes will be announced in assembly.

Year 9

Many students have shown excellent effort in producing high quality assessment essays on: 'Why did World War I break out in 1914?' The history department also visited the Somme battlefields on Friday 9th November. The visit involved 4 coaches of 160 Year 9 students and staff. The trip is linked to the study of the First World War in Year 9 lessons. A number of key places were visited including Vimy Ridge, Newfoundland Park, a large British cemetery at Serre, and Lochnagar Crater. At the Thiepval Memorial to the 73,000 missing British soldiers, St Ivo students gathered and took part in a moving ceremony. A poem was read, a wreath laid, the 'Last Post' was played by Stanley (Year 9), and a one minute silence was observed.

Year 10

Students should be congratulated for working very hard on their new GCSE courses. Their study of Russia has just been completed.

Year 11

Well done to Year 11 who are still working hard towards their GCSE examinations. They have just finished their mock exam on international Relations, which includes the study of the Cuban Missiles Crisis in 1962.

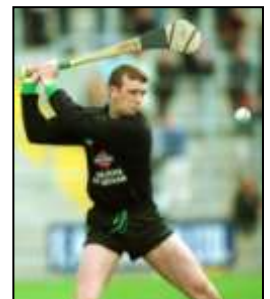

Year 12

Year 12 Students will soon be travelling to Berlin as part of their AS module: Germany 1933-63. The tour includes Brandenburg Gate, Potsdamer Platz, Goring's Air Ministry, Topography of Terror (former SS and Gestapo HQ), Neue Synagogue, and northern Mitte (a preserved pre-war Jewish area), Sachsenhausen Concentration camp, the stadium built by the Nazis for the 1936 Olympic Games, and Wansee Villa where the 1942 conference decided upon the 'Final Solution' against the Jews.

Year 13

Year 13 are working hard towards their A2 coursework on Russia. Some students also took part in a 4 day trip to Dublin as part of their study of Ireland 1798-1921. The trip involved visits to historic and cultural places such as Trinity College and the Book of Kells, Dublin Castle, the former Grattan Parliament, a 1916 walking tour, the GPO (for the 1916 Easter Rising), Kilmainham Gaol, Glasnevin cemetery, Croke Park Gaelic sports stadium, and the world famous bog bodies at the National Museum. Other popular activities included the literary and musical tours during the evenings. Overall, students found the trip highly useful for their historical studies, and great fun.

History Dept News continued

Community Links

- Year 7 and Year 8 (see above),
- A department display called **'History – I'm Loving it'** is encouraging all history students to bring in information and items about their family. Some amazing stories, artefacts and photos have been provided so far.
- **Filming by the department exists of local people about St. Ives during WWII and the 'Swinging Sixties'**. Both DVDs are available for purchase from the Norris Museum or school business centre.

Well done to all students who continue to work hard in the department, and help to make it an exciting, fun and high performing place to study history.

Dr Craig
Head of History

Food Dept News

Future Chef Competition

This was held on Wednesday 19th September. The students were asked to produce a main meal dish in an hour. We were asked to provide 2 judges, a senior member of the school and a local chef; Mrs Campbell, Chair of the governors kindly accepted the role as did Mark Hurley, a past pupil and Head Chef at the Three Jolly Butchers in Houghton.

Sam's entry for the local final
at Peterborough

The winner was Sam from 10Ba who made a delicious 'bangers and celeriac mash' with red wine reduction. Robert 9Bu and Alicia 9Ar were commended on their dishes.

Sam was entered for the local final which took place on 22nd November at Peterborough Community College. He produced a 2 course meal and was placed third overall. Huge congratulations to Sam on a magnificent accomplishment!

Rotary Young Chef Competition

The annual Rotary competition was held on Monday 12th November. The students were asked to produce a two course meal for two covers for under £6.

The winner was Scott 11Yo who made a dish of pan-fried duck breast with vegetables and a red wine jus. His dessert was an individual apple custard tart. Second was Connor 11Mx and third place was awarded to Chris 11 Gx/Ea.

Scott will now go on to the local final to be held at Hinchingsbrooke School on January. He has to produce a three course meal for under £12.

Scott's apple custard tart

Food Dept News continued

Visit to CRC School of Catering

On Thursday 22nd November 40 year 11 catering students visited the School of Catering and enjoyed a three course meal prepared and cooked for us by NVQ catering students; we even had the chance to say hello to 2 past students who are now at CRC on the NVQ course!

We experienced a ‘fine dining’ meal of vegetable soup; beef in red wine sauce or vegetable curry served with seasonal vegetable followed by an apple crumble tart. The students took photos of the presentation of the food and wrote about the menu for their second assessment in catering.

A Level Health and Social Care

On Friday 23rd November a group of Year 13 Health and Social Care students studying a unit on Clients with Disabilities visited Spring Common School to see aids and adaptations used in a special school to aid learning. The group had a chance to view every aspect of the school and speak to members of staff about teaching in this organisation. They were particularly impressed with the hydro pool and the sensory room. The group were amazed at the difference between Spring Common and a main stream school; staff to pupil ratio and the warming atmosphere of the school as a whole.

Mrs Watton
Head of Food Technology

International School Award

We are pleased to announce that St Ivo School has been awarded the British Council’s prestigious International School Award in recognition of our work to bring the world into the classroom. The **school’s international work** includes a range of visits overseas including links and exchanges with schools in Soweto, South Africa, Roots School, Rawalpindi and Samuraihama Junior High School in Japan. Special events include the Holocaust Memorial Day, the celebration of European Day of Languages and Fairtrade Fortnight.

Careers News

Following the closure of the Connexions Service last summer, work placements are in very short supply for the Year 10 Work Experience Programme in 2013. If any parents or carers would like to offer placements or think that their employers would be willing to offer placements to St Ivo students, please contact the work experience coordinator at dcarpenter@stivoschool.org for more information. The dates are 1st-11th July 2013. Hopefully everyone will be placed and we will have another successful year of students building up their CVs and discovering the world of work.

Mrs D Carpenter
Work Experience Coordinator

Children in Need

St Ivo again decided to raise money for Children in Need this year. Collectively as a school we managed to raise over £2000. This included a whole school non uniform day on Friday the 16th of November with a number of events leading up to this throughout the week. Each year group was given a day each to raise as much money as they can and put a lot of hard work and effort into making this week a success.

Monday – Year 7 selling children in need wrist bands and badges.

Tuesday – Year 8 tug of war competition.

Wednesday – Year 9 cake sale.

Thursday – Year 10 sponge the teacher event.

Friday – Whole school Non Uniform Day.

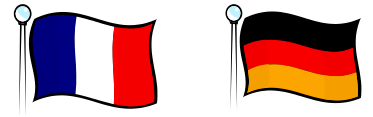

Other events that took place throughout the school at various times included a talent show and selling of handmade Pudsey goods including pom poms, key rings and mobile charms.

Well done to all the students and staff that supported this worthy cause!

The Junior Choir were asked to represent Cambridgeshire by participating in this year's BBC Children in Need programme, joining forces with other choirs from across the country to sing 'Bridge Over Troubled Water' live on national television. Students in years 7, 8 and 9 travelled to Cambridge on Friday 16th November and joined up to 200 other members of local choirs from the Eastern Region to rehearse and perform the song chosen especially for the occasion. Not only did it give members of the choir the chance to be involved in one of the Nation's largest fundraising events, but it also gave them the experience of singing in a large choir of many voices, something which is particularly exciting for the first time! We are extremely proud of the choir for representing not only the school but the county on this special occasion.

MFL Dept News

Year 7 in good singing voice in French and German

Year 7 students, and their teachers, have enjoyed practicing carols in French and German in their languages lessons in anticipation of the annual church service in St Ives, organised by the RE department. This event is always an inspirational event, and contributes to the Year 7 students' understanding of culture in France and Germany.

Year 7s take up the challenge in MFL

Many students in Year 7 have shown keen to take part in the Languages Challenge which is organised in St Ivo school by Mrs Moore. Students participating in the challenges will be awarded a certificate by the Routes into Languages team at Anglia Ruskin University.

The project opened with students enjoying a lunchtime activity in December where they were able to interview the French and German assistants here at St Ivo and ask them about studying languages at university. Both language assistants were keen to help the Year 7 students understand more about how languages can be studied at a higher level, and explained about opportunities at university and beyond.

The Languages Challenge is open for the whole of Year 7, and any new students should see Mrs Moore for more information.

Mrs Moore.

Year 9 – The Apprentices went to the Dragons Den!

Working in teams with pupils from other Huntingdonshire schools, 30 St Ivo pupils were put under pressure to demonstrate their personal and language skills as they prepared and gave a sales pitch for a local clothes firm. Anglia Ruskin generously hosted the event and awarded prizes to the best teams.

Mrs Meadowcroft.

Multilingual Year 8

By the time this newsletter goes out, many Year 8 students will either have enjoyed a day packed with German language activities or be packing their bags for the French Christmas market trip. Others have been packing into room 5 for Mrs Champley-Potter's after school course in Italian for beginners.

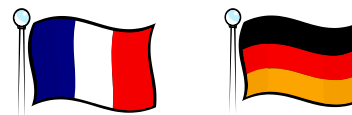

Year 9 – Masterclasses in European festivities!

Our Year 9 dual linguists will be invited to a taste of Christmas German-style or Epiphany French style in special masterclasses either side of the Christmas break. **Make sure reply slips are returned promptly so they don't miss out on the opportunity to have some fun while learning more about the culture and customs of the countries where their first foreign language is spoken.**

Year 11 – please join in the discussion

At the start of the new term all Year 11 students studying French and German will be given a letter with details of events designed to give them extra practice in the run-up to their final speaking assessments in the week beginning 1st February. Parents/carers can enrol their son/daughter by emailing Mrs Zähler at pzahner@stivoschool.org

MFL Dept News continued

Latin

We were absolutely staggered by the high response to the places for Latin and have ended up running 2 sessions with students drawn from years 9, 10 and 13. Whilst it is now too late to join this year's groups, students who are still interested should see Mrs Zähler about the chance of a place next year.

Year 7 and 8 taster sessions in Latin will be run by Miss Shipley in the Summer Term and applications will be invited at the start of the summer term.

Mrs Zähler
Head of Languages Dept

Sixth Form News

We are proud of our motto of being 'The Face of St Ivo'. With this in mind, can I say a huge 'thank you' and 'well done' to our school ambassadors. The school ambassador scheme was launched in October and involves Year 13 students volunteering to man a desk in reception during their free periods. As the Face of St Ivo, students have been welcoming and escorting visitors around the school, and helping the reception staff with other duties. The scheme has been a great success, with staff praising the students for their helpfulness and professional approach and attitude.

Much credit must also be given to the 64 sixth form reading buddies who are guiding Year 7 and Year 8s, alongside the SMILE project mentors (who have been trained in communication skills), for doing an invaluable job supporting individual lower school students.

Mrs Perry
Assistant Head of Sixth Form

Well done to the 80 students who have already completed and submitted their UCAS applications - offers have been coming in thick and fast. My thanks to the tutors and staff for all their hard work helping students with their applications.

Mr Perry
Head of Sixth Form

Sixth Form students raised money again this year for Breast Cancer Research. A 'Pink Day' was held in October with students making a donation to dress in pink for the day. The total raised for the charity was £376.

Geography Dept News

The Geography department have recently returned from a very successful trip to South Africa. Thirty seven students were based on the Johannesburg / Kruger National Park. We had the opportunity to go out on both day and night time safaris as well as visiting key sights such as 'God's Window', the Three Rondavels and Bourke's Luck potholes - all part of the Drakensburg escarpment. A key highlight however was our return visit to the Mbuyisa Makhubu Primary School in Soweto. Students had raised over £600 with cake stalls and raffles to buy sports kits and equipment to take out to the school. Local football teams also kindly donated kit which we took out. The primary school is close to Nelson Mandela's former home and the school has very limited funding. Students and staff were given a huge welcome and an incredible experience, strengthening the ties between the schools which began two years ago.

Geography Association World Wise Quiz

Congratulations to the students – Niall, Matthew, Luke and Shannon who represented the school at the recent Geographical Society World Wise Quiz at Long Road in Cambridge. They came fourth overall against twenty competing school teams from the local area. This is the first time we have entered a team in recent years so they have made a really impressive start to this new venture in the department. Well done!

Travel and Tourism Dept

AS students have recently been involved in a number of visits including the Marriott Hotel in Huntingdon and Cadbury World as part of their customer service work. While BTEC students have also been out and about in Cambridge and Stansted Airport.

Coming up

Year 13 New York trip for geography and travel and tourism students (information evening is on Wednesday 16 January)

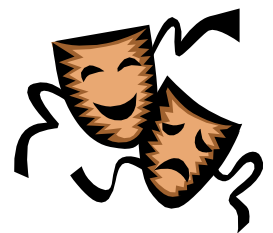

Year 13 A2 geography visit to the London docklands in March

Year 12 AS level Snowdonia fieldtrip in March.

Mrs Mottram
Head of Geography Dept

Drama Dept News

Rehearsals are well underway for this year's whole school production of Lionel Bart's 'Oliver!' which will take place on February 5th, 6th and 7th in the Burgess Hall. More than 60 students will be participating in the show and as ever we are unearthing some fantastic talent within our student body, so do come along and support them. Tickets are available from the school business centre and from the Burgess Hall at the following price: £7 adults / £5 under 16's / £22 Family ticket (2 x adults, 2 x children). We look forward to welcoming you.

Resource Centre News

We would like to welcome the new Year 7's to the Resource Centre. We have enjoyed meeting you and hope to get to know you more in the years ahead.

Information Skills and Inductions this term

Year 7 Induction – The children enjoyed getting their finger scanned, choosing resources to borrow and doing an exercise in locating resources and using indexes in order to find and record specific information.

Year 12 Induction – Students were introduced to resources specifically purchased for them. They also had an introduction to Harvard Referencing and avoiding plagiarism.

Year 7 Geography City Break Project – Year 7 researched 5 different cities from around the world and made exciting posters showing what they had learnt. They also did small presentations. The posters are on display in the RC – please come and have a look.

Children in Need – We ran several activities costing 20p to enter both in the week leading up to CIN Day and on the Day itself.

Smartie Sorter – Winner was Rebecca 7Hs with 29 Smarties sorted.

Guess the number of sweets in the jar – There were 55 sweets in the jar. Four people were 1 away and the winner chosen at random. Winner was Sasha 8Nn and runners up were Oli 12Mb, Holly 12Cb and Nik 8Mv

Hunt the Pudsey stickers – Winners were Danielle 8Wo and Sam 12Bx

Design a Pudsey – **Winner (chosen by the Art Department) was Harvey 7Ly with “Businessman Pudsey”, RC winner was Archie 7Ly with “Graffiti Pudsey” and Runner-up was Saira 7Hs with “Flower Power Pudsey”.**

We raised £53.30 for Children in Need. Well done to everyone who took part, especially the winners.

Competitions – We held several competitions recently.

Mrs Mitchell's Quiz - Mrs Mitchell held her Year 7 Chocolatey Hallowe'en Quiz with 7 winners scoring 12 out of 12. They were Imogen 7Bb, Sam and Lauren 7Bl, Robert 7Da, Jenna 7Hs, Harvey and Annabel 7Ly.

Marcus Alexander – We held several competitions to mark the visit from author Marcus Alexander in July. The winners were as follows:-

Story Competition – Cherry and James 8Mr

Drawing Competition – Meo 9Ag (chosen by Marcus) and Caragh 9Bg (chosen by RC)

Model Competition – Chloe 8Mr

Please note: We have published a book of the stories we received for the Story Competition and it is available to view in the RC.

Craft Weeks – We held several craft weeks this term. In September we made letters making up the words “Resource Centre” out of black card and tissue paper to give a stained glass effect, which is now up at our window. We also recently made Christmas decorations and advent calendars.

Don't forget to come and get some books to read in the Christmas holidays, as well as a DVD and maybe an audio book. We wish you a merry Christmas and happy 2013.

Mrs Mitchell.
Resource Centre

Sports News

Girls National Cup football success

St Ivo entered both the u13 and u16 girls teams into the national cup this year. It is the first time that the girls have entered this national football competition. Hundreds of schools enter the competition and after each knock out game the winning team progress to the next round. The u13 team managed to get through to the 5th round of the competition, meaning that they were in the last 32 schools of the country, narrowly being beaten at home by Copleston High School from Ipswich. The team is a mixture of Year 7 and 8 girls who have worked well together as a team for the first time and hopefully now will progress further in the same competition in years to come.

Our u16 team is a mixture of Year 10 and 11 girls; they are still in the competition and have managed to get to round 7. We are currently waiting to play in the quarter finals of the country, meaning that they have made it into the last 8 school teams. Their last game could not have been closer against Bungay High school away in Lowestoft. The game ended 3 -3 at full time and no goals scored after added extra time meant that they had to go to penalties. Penalties also ended 3 -3 so they had to go to sudden death. It was a nerve racking end to a well fought game with Player of the Match Chloe saving the opposition's last penalty to give St Ivo the win.

Miss Trigg

Year 10 Netball

In KS4 Year 10 complete a round of friendly fixtures before participating in the District tournament over two weeks, held at St Ivo. We entered two teams into the tournament on the tactic of getting one through to qualify for the County tournament next year. The girls played really well, several students playing out of position due to absence and other issues. Diana stepped into defence and was outstanding. Excellent defence was also shown by Phoebe, Beccy and Rachel. Ellie, Melody and Ella kept us in contention whilst Megan, Rachel and Lauren were outstanding in mid-court. We were only in third place after the first round of matches but held our nerve and by beating both Hinchingsbrooke A and St Peters A we moved into second overall to qualify for County next year. Holly, Tilly and Phoebe are to be commended for organising the players. Other squad members include Freya, Diana, Amy and Sherone. This is an outstanding group of players who thoroughly deserve the success they achieve.

Year 7 Netball

Year 7 netball has been phenomenal this year with over 45 players regularly attending training and over 35 girls representing the school in extra-curricular fixtures. We have fielded 4 teams in every fixture and won 73% of all our matches. We initially played mixed ability squads whilst learning the rules and tactics but went for a more structured team in the district tournaments. We entered two squads in the A tournament and two in the B tournament, coming 4th & 7th and 3rd & 4th respectively. Well done to all players and I can see we have a strong base for fixtures in Year 8. See you all next year!
