Dear Parent/Carer

It is with pleasure that I write to you at the end of my first half-term as the Headteacher of St Ivo. I've thoroughly enjoyed my first few weeks at the school and have been made to feel very welcome by staff, pupils and parents.

My initial impressions of the school have been very good, there is a strong, positive ethos here and I would like to pay tribute to my predecessor Mr Mahoney, for his excellent work.

As in any school there is always plenty to do and this term we have embarked on a review of the curriculum we offer at Key Stage 4 and our delivery of PSHE. We will contact you if any significant changes are planned.

I hope you and your family have an excellent half-term. School reopens on Monday, October 31st. Thursday, November 3rd is a pupil closure day and is our open evening.

Yours sincerely

Howard Gilbert
Headteacher

Congratulations to the year 13 class who left us in the Summer of 2005. They left the school with some excellent results (97.6% pass rate, 72% A-C grades) and students have achieved their chosen goals. Of the 150 students 100 have gained a place at university, 15 are taking a year out, 3 are returning to study at St Ivo and 31 are now in employment or receiving vocational training tied to work.

Welcome to our new year 12 who have already made a most positive impression. Elections for the vice / chairperson post will be hotly contended and we have four excellent candidates in Alex, Garth, Andrew and Richard.

Mr R Perry - Head of Sixth Form

The sixth form raised over £400 in total for Breakthrough for Breast Cancer, whilst wearing pink for a day. There were some unusual sights! Congratulations to Tom, James, Heather and Emma who collected £106.34 between them.

Congratulations to our Year 11 students who have met their deadlines for course-work. Well done, and keep up the good work.

Year 7 have settled into their design and technology lessons really well, producing some lovely work. From a design point of view they have been very creative and making skills are developing well through our project work. Thank you to all parents for your contributions towards the materials required for these projects.

Coming up for Years 12 and 13 we have a workshop at the Design Museum, followed by a tour around the Science Museum, to mainly look at the recycling, reusing and reducing of various materials, as well as some new innovative materials used by designers today.

Mrs C Morrison - Head of Design and Technology

Congratulations to all those students in year 10 who were presented with Languages' Ladder certificates in French preliminary or Spanish breakthrough in listening and/or reading by Dr Lid King, the national director of languages in the UK, on Thursday, 6th October in the year 10 assembly. Dr King explained to pupils that a knowledge of other languages is essential for a wide range of careers and could enrich people in their personal lives. The pupils receiving the certificates were those who had participated not only in the pilot for the Junior Cambridge University Language Programme last year but also in the pilot for the Languages' Ladder. The pupils sitting the tests have already reached the standard expected at (early stages of) GCSE, Dr King explained to the pupils.

This year, too, in our own pilot, selected pupils in years 9 and 10 at school will be invited to take tests in the languages' ladder, a nationally recognised set of awards available from September 2005 in primary, secondary and adult versions of 8 languages so far (with more to follow). Candidates can take tests in any one or more of the four skills (listening, reading, writing and speaking).

Mrs P. Zahner - Head of Modern Languages

The Dance Department has had a busy start to the term! Students from the Ivo Dance Company were invited to a workshop ran by Maria Blundell from the Cambridgeshire County Youth Dance Company. The workshop gave our students an insight into the work of CCYDC. A number of St Ivo dance students were successful in the first auditions for the company and were recalled for the following auditions at the end of October. If students are successful they will become part of the elite dance company which is based at The Junction in Cambridge. They will perform at a number of venues around the county and finish their tour with their final performance at The Junction.

Sixth Form students took pleasure in watching the recent performance of the Siobhan Davies Dance Company at the Cambridge Arts Theatre. We have a unique and exciting opportunity for Key Stage 3 students to watch the highly acclaimed Union Dance Company perform at the Mumford Theatre in Cambridge. Union Dance Company will be performing new and exciting work in November which explores a diversity of culture through breathtaking choreography, music, film and stunning visual effects. Union Dance Company is internationally acclaimed for its culturally diverse mix of contemporary dance, hip hop, martial arts and streetwise wit.

'Spotlight' has always been a favourite dance spectacular at St Ivo. This year will be exciting; showing breathtaking dance performances by a number of students. Auditions for 'Spotlight' will be held after half term; all welcome! There will be a competition running for the most impressive poster for 'Spotlight 2006' so start thinking now for your entry!!

I have been impressed by the enthusiasm of all students attending extra curricular dance clubs at lunch times and after school. All students are welcome with all abilities. If you haven't already tried a dance club then check out the dance notice board and clubs list and come along!

*Music Department News**50 years*

Watch out for two big musical events next half-term! St Ivo musicians will be performing at a special concert for children given by St Ives orchestra on Saturday 26th November. The programme will include favourites such as 'Peter and the Wolf', 'Bare Necessities' and 'Circle of Life'. The venue is the Free Church in St Ives, starting at 7.30pm.

Also at the Free Church is our annual Christmas concert on Thursday 15th December, starting at 7.30pm. The format this year is slightly different in that the evening will be a more traditional service of nine lessons and carols, interspersed with musical items from extra-curricular groups. It promises to be a really special evening in a lovely setting and I do hope to see you there.

Finally, best wishes to those pupils taking music exams this half term.
