These revision sessions are in addition to the revision done in normal lessons until 25th May, and ongoing revision sessions already organized and publicized by departments. No new work will be covered, but students are encouraged to attend these sessions wherever possible. If students have an examination or other clash and therefore are not able to attend, teachers will be available during the normal timetabled lesson time to give help and guidance as necessary. We wish all students every success in the GCSE exams and look forward to the results in August.

Clare Sherwood and Scott Bamber
